Contract Start Date

Settings:

- today contract starts the day it is entered
 tomorrow contract starts the day after it is entered
- 00/00/0000 contract starts the first day of the month following the day it is entered •
- **06/01/2009** as an example, all contracts on this setting will start on the specific date 01-JUN-09. Contracts entered after 01-JUN-09 will start the day they are entered. •
