What is Oil Price Protection, and is it for me?  
Oil price protection programs (which are optional) provide "tools" that can help you manage your energy costs, and do not "guarantee" the lowest price.

Sample Contracts Setup Screen

To change the order, click on one tab of one of the contracts you want to change, e.g. **Capped Price**.

The screenshot shows the 'Nymex Proxy - Manage Contract Programs' interface in Mozilla Firefox. The browser address bar shows 'https://fueldemo.destwin.com/setcontracts'. The page has tabs for 'OTRS :: Login', 'OTRS :: Manual', 'Destwin Files', 'destwin\_html', and '[INT] Sign in'. The main content area has a sidebar with links like 'Toggle Contract/Payment' and 'Add Contract', and a top navigation bar with tabs: 'Global Settings', 'Capped Price', 'Flex Price', and 'Fixed / Prebuy'. The 'Capped Price' tab is active, showing a form with fields for 'Contract Name', 'Description', 'Class of contract', 'Price Type', 'More Info Document Name', 'Terms Document Name', 'Override text for "Amount Due"', 'Prompt payment discount (in cents, shown to user, not used to reduce price instantly)', and 'Display Order (on contract selection page)'. The 'Display Order' field is set to '1' and is highlighted with a yellow box. A yellow callout box points to this field with the text 'Display order = 1'. At the bottom of the form, there is a 'Find:' field and a 'Submit the above form' button.

Specific Contract setup information and settings (top of page).

Change the number in the Display Order field to the position desired and click on the

Submit the above form

button at the bottom of the page. For example, to make this contract appear as the second from the top, change the Display Order number to 2. You may also need to change the Display Order number of the contract that was 2 to 1.

The screenshot shows the same 'Nymex Proxy - Manage Contract Programs' interface in Mozilla Firefox. The 'Capped Price' tab is active, showing a form with fields for 'Contract Name', 'Description', 'Class of contract', 'Price Type', 'More Info Document Name', 'Terms Document Name', 'Override text for "Amount Due"', 'Prompt payment discount (in cents, shown to user, not used to reduce price instantly)', and 'Display Order (on contract selection page)'. The 'Display Order' field is set to '1'. Below the form, there is a 'Find:' field and a 'Submit the above form' button. A yellow callout box points to this button with the text 'Click on this button to update and save the system settings.' The bottom of the page shows a 'Done' button and a status bar.

Specific Contract setup information and settings (bottom of page).
