

## DESTWIN<sup>®</sup> Fuel Dealer Solution<sup>™</sup> Budgets Questionnaire

This questionnaire is designed to gather information to assist you in setting up how your budget amounts will be calculated.

General Setup		
1	For budget payments of ten (10) or more, the system can be set to calculate budgets based on expected annual usage or purchased gallons. Which do you want to use? <b>Note: In general DESTWIN recommends you use Expected Annual Usage to ensure the budget amount is sufficient for the season.</b>	<input type="checkbox"/> Expected Annual Usage <input type="checkbox"/> Purchased Gallons
2	If there is a Fee associated with the program should that be included in the budget?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> N/A
3	If there is a Service Plan included with the contract should that be included in the budget?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> N/A
4	If the customer has an existing credit balance, how should that be treated?	<input type="checkbox"/> Apply in full up front <input type="checkbox"/> Divide over all budget payments <input type="checkbox"/> Ignore
5	If the customer has an existing debit balance, how should that be treated?	<input type="checkbox"/> Apply in full up front <input type="checkbox"/> Divide over all budget payments <input type="checkbox"/> Ignore
