Customer Login Screen

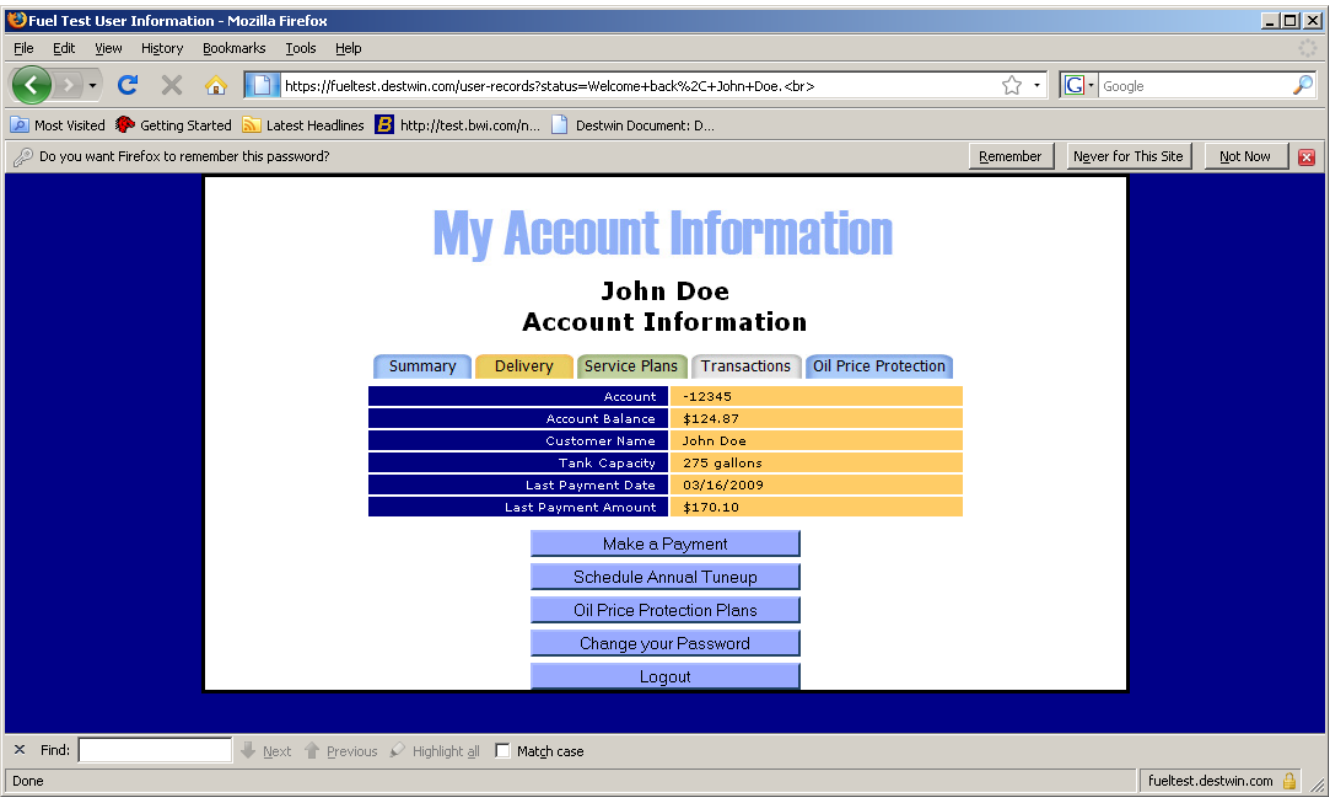

The screenshot shows a web browser window titled "Fuel Test - Login Information - Mozilla Firefox". The address bar shows the URL "https://fueltest.destwin.com/login". The page has a dark blue background with a white login form in the center. The form contains the following elements:

- A label "Username or Fuel Test Account Number" above a text input field.
- A label "Password" above a text input field.
- A "Login" button below the password field.
- A link "Forgot your password? Click here to get a new password." below the login button.
- A section titled "Forgot your account number or could not create a new password?" with contact information: "Give us a call at 1-800-1234567 or e-mail us at info@destwin.com".
- A section titled "First time logging in?" with a link "Click here for instructions."

The browser's status bar at the bottom shows "Done" and the address "fueltest.destwin.com".

Fuel Demo Oil Price Protection Plans Available for 03/23/2009

Plan	Available Pricing Options		Fee	
SmartCap™	Pre-payment (Best Price)	Not to exceed \$2.299	\$0.25 / gal	Next Step
	12 Equal Monthly Payments	Not to exceed \$2.399		
	12 Equal Monthly Payments, includes service plan	Not to exceed \$2.449		
	Pay as delivered	Not to exceed \$2.449		

This Plan is RECOMMENDED!

This plan provides an opportunity for you to protect your heating oil purchases from increases, while also providing the benefit of lower prices should market rates fall. By choosing the SmartCap Plan, you will know in advance the highest price you will pay for your heating oil.

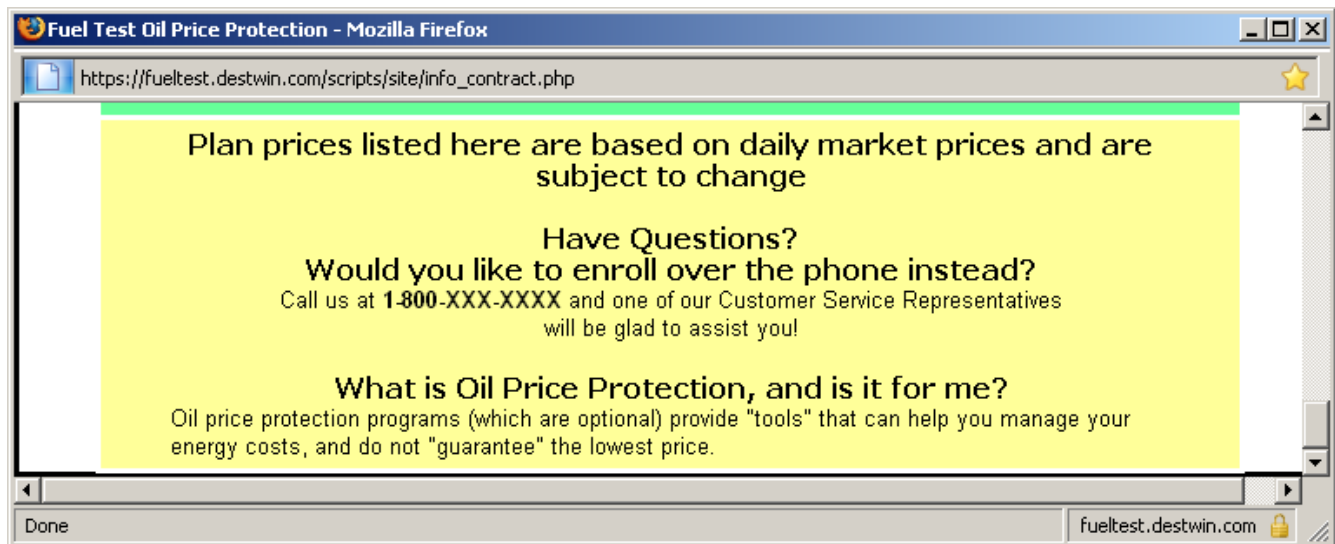

- **Now available with a Pre-Payment discount!**
- This plan covers a fixed quantity of gallons, up to one year of estimated usage
- SmartCap Plan is protected by a NYMEX commodity option, that works like "insurance" to protect you no matter if heating oil prices go up or down!
- Available with a 12 month budget payment plan (can also include your service plan cost)

Plan	Available Pricing Options		Fee	
Flex Price	Today's Flex Price	Currently at \$2.449	None	Next Step
